Term Three

## BOARDING HOUSE 3

### AWANA MAMANTA

This term in boarding house 3 the boys have been on their best behaviour, they have really enjoyed showing Tiwi culture to our visitors Scotch College. They have been helping out each week around the house with cleaning and cooking so we would like to thank them all for there wonderful efforts during the term. We are looking forward to finishing off the year strong next term and hope everyone has a great holiday.

Mana.

Joey & Leeanne

# BOARDING HOUSE 4

We've come to the end of another great term. Despite the few challenges at the beginning, we would like to commend our boarding house 4 girls for always choosing to jump in the troopies on Monday pick up days. They have also put in a tremendous effort in following school rules, and we are so proud of each of them.

To reward the girls for their good choices, we have had some trips out of school campus in the evenings for dinner and possum hunting. We have really enjoyed having the young ladies in boarding house 4 this term and we look forward to a well-deserved school holiday.

Mereseini & Leanne

# BOARDING HOUSE 7 Term 3 Newsletter

Awana Mamanta,

This term in boarding house 7 it has been a challenging term, we got through it by the support of all staff here at Tiwi College stepping up to help each other out. A big thank you too Deanne Rioli for her advice and hard work throughout these challenging times and a special mention to the teachers Ashlee, Cilia and Stacey for all their hard work.

Wishing all of our students a safe and happy holiday, cannot wait to see what term 4 brings, bring on graduation!

Mana,  
Aliti & Filipe

Term 3 Newsletter

## AWANA MAMANTA

*This term in boarding house 8 there has been a massive improvement in the boys relationships with each other. They have been respectful and have formed some really great friendships. We love seeing the boys so close and sharing their stories with everyone.*

*We also welcomed David Kruse to the boarding house 8 family, who the boys connected with very quickly over their love of footy! They also love his cake making skills! In term 4 we hope to improve further on our life skills and continue to keep those strong bonds.*

*Mana, Shayne & David*
