

# Senior Young Women

## AWANA FRIENDS & FAMILY!

This term the Senior Young Women's class happily welcomed Martina Puruntatameri who has been a great addition as the Tiwi Teacher and has helped us to continue to reach our goals.

We have enjoyed our subjects; Food and Hospitality, Creative Arts, Literacy, Personal Learning Plan and Workplace Practices.

We have been cooking in the kitchen working. Our goals have been to make meals on a budget that are balanced and healthy using the Aboriginal and Torres Strait Islander Guide to Healthy Eating.

We have created our work experience profiles and investigated through aptitude test and job research tasks which industries or jobs we may like to study or work in the future.

The year 12s have been working on developing a portfolio of their watercolour skills whilst the Year 11s and 10s have been completing designs and proposals to create some unique art pieces around the school.

We have focused on posters in Literacy by both developing responses to community posters and also creating our own.

We have been learning about the 7 capabilities, individual strengths and areas for improvement and establishing both personal and learning SMART goals.

We have also enjoyed some team building and swimming trips on Country to cool off during the hot weeks.

We look forward to continuing with our VET studies next term where we will be working towards attaining our Certificate II in Community Services.

We hope all the Senior Young Women enjoy the Easter break with families and friends.

Ashlee and Martina

# Senior Young Men

The senior young men have had a fantastic term! The boys have performed very well in literacy, numeracy, sports and goal setting. We have explored very exciting topics, including careers for the future. It is very exciting to hear about the boys diverse range of goals for the future!

In sport the boys have been fantastic in touch rugby, AFL, basketball and gym-based work. I am very proud of every single one of the boys' and incredibly excited to see them continue to grow into positive role models and leaders of the school. Well done on an amazing term - very excited to see what's to come.

Adam & Jonus.

# HIGH PERFORMANCE ACADEMY

This term in the High-Performance space, we have focussed on using technology to be better informed during our training. We have received our top of the range fitness testing equipment allowing us to give students accurate data in speed, power and reaction time which they can use to develop SMART goals.

Students have shown strong commitment at times getting up at 7:15am to work on their strength inside our gym. We have several students who are beginning to progress to barbell work, and we are seeing some great improvements in strength and technique.

Our skills sessions have been popular also, with students working on running technique, correct warm-ups and understand terms such as activation, mobility and stability. We are continuing to work on our fundamental AFL skills and understanding the importance of unrewarded running team sport.

Our Middle school have been working with heart rate monitors during PE quarters, gaining a better understanding of training zones and the importance of regular movement. Our students have also embedded breathing and visualisations techniques into their morning, as a way of learning about mindset and mental health.

We have been busy planning our first few off-island sporting experiences, with some exciting trips planned around Darwin and inter-state for students who are showing strong levels of commitment in this space. We look forward to sharing this with you at the end of the semester.

Term One

## BOARDING HOUSE 3

Awana friends & family,

2022 is one of the most challenging years for the students, house parents and college at large. This term there was covid, a cyclone, a new full boarding system to get used to and lots of new staff. Our boarders did really well to adjust to the changes. We had regular students and flexi students. Our full roll included Darius Bourke Costa, Nathias Bourk-Miler, Maxwell Puruntatameri, Andrew Tipungwuti, Matthew Puruntatameri, William Papungmirri, Keanu Cooper, Lenny Desantis, Albert Puruntatameri and Christopher Kerinaua.

To build a culture of responsible young men BH3 has daily routines and chores that the boys perform. This includes each one taking turns to do laundry, doing own bed in the morning, sticking to healthy practices of showering and brushing teeth at least twice everyday, making their own lunch and helping with the dishes.

We look forward to another year of fun and learning for our young mob. Great stuff boys!  
BH3 boarding supervisors.

# BOARDING HOUSE 4

Boarding House 4 has a mixture of junior and middle young women this term. They include Alice Daniels, Anna Simon, Aurelia Alimankinni, Chloe Puruntatameri, Coralee Papajua, Dakota Bow-Farrel, Latisha Lorenzo, Mayelia Tipiloura, Pearl Tungatalum, Tanelle Daniels and Taniesha John-Forest.

Our young women have taken this term in their stride despite disruptions such as covid, the cyclone and changes taking place at the college. They have done well and enjoyed the term together.

Full boarding had them experience extended stay periods on campus, there were mixed reactions in regards to this.

Our positives include participation in home duties, adhering to home routines and timelines, making good choices and looking out for each other. We are proud to say that two of our young women have been awarded meat trays for female student of the week for the whole school this term, an achievement which reflects the effort of our young women.

Meme, Dawn and the girls would like to acknowledge the support of KK, Joy, Barbara and Leanne; our support staff.

Thank you

# BOARDING HOUSE 7

*Awana Mamanta,*

*Greetings from the senior girls at boarding house 7.*

*We have 13 girls this term and it's a pleasure to work alongside them for the start of full time term time boarding at Tiwi College.*

*We have Marie Clancy who comes in to help with supervision in the evening. Looking forward to a great future ahead with these mob. Have a safe school holidays.*

*Kelera*

# Boarding House 8

Awana Mamanta

Hello and greetings from our humble abode, at BH8. A great start to the year with our senior students as we roll into full term boarding. We welcome local gentleman, Shayne. What an exciting season as we unlearn and relearn to a golden era at Tiwi College. Stay safe and enjoy the holidays. Nimpani
