

FGH 5

The end of Term 2 is right at the door and it has been a challenging yet productive term for the girls here at FGH 5. With our FGH 5 House parents on medical leave we have stepped in as house parents. We pray for their speedy recovery and have them back here in the FGH 5 Fort in Term 3.

We have had an awesome time in FGH 5 and we have continued to see growth and learning happening amongst the girls in our care.

Fete preparation is and has always been a big highlight of the term for Family Group Homes, and the girls in our house worked so well together in the lead up and on the day of the Fete, to make sure our food stall ran smoothly! Certainly it did, it was a sell out! Well done girls!!

We are really looking forward to the 2020 Fete program and hoping to make it more productive than this year.

Happy Bush Holidays & enjoy responsibly!

Love from Amelia and Mere Bari!

FAMILY GROUP HOME 6

TERM 2 -2019

We would like to take this opportunity to thank all parents and guardians for allowing us the privilege to take care of your beautiful daughters at FGH6. We've had a busy yet exciting term and we must say that we have grown closer as a family. The girls have learned new skills during our Life Skills sessions and have all played their part in the organization and running of our Fete Stall. It has been encouraging watching them develop into mature young ladies though some have needed a little bit more TLC than others. We wish everyone a well-deserved and safe Bush Holiday! -
Manasa & Cilia

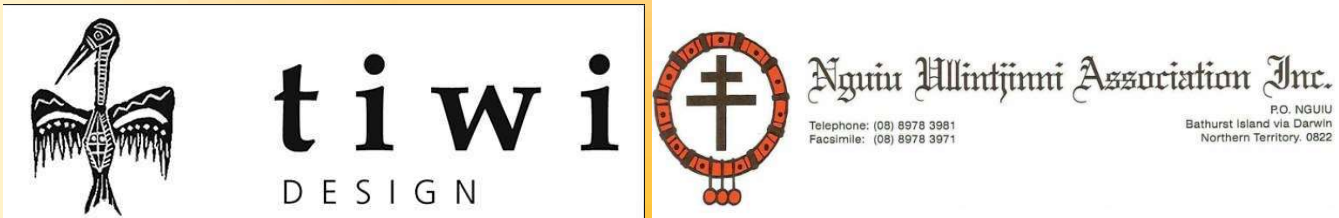

At Tiwi College, the focus of our Life skills this term was using our **Heads** to develop key skills in thinking creatively, making and managing money as a young Tiwi entrepreneurs. The students were guided in every step during the term from setting goals, coming up with what to sell in their allocated (hot food, sweets etc.) stalls. They also decided what they wanted to raise money for, and purchase for their house. Not only did they look at their houses needs, but also learned their social obligation in choosing a charity organisation to donate some of their profits to. It was a great success and a big thank you to all our special visitors who came from Darwin, and our families from our three communities who gave their full support in making this day, an awesome one. We would like to a make special mention to some individual, groups and organisations who supported us with their kind donations and support.

Big thank you to - Tiwi College Staff & Anthony Parker (TEB Darwin Office). Thank you to - Caroline Kettlewell (Family Friend of FGH 3) . Thank you to his Grace, Father Patrick for conducting Mass on Fete day.

Big Thank you to - Tiwi Design for their never ending support to our Fete day.
