

# FGH FIVE

This term has passed by so fast and it is hard to believe that we are at the end of another year. We are truly blessed to be working with the youth of Tiwi Islands and we are very grateful to all parents who entrust their girls into our care.

We have had a great term in our house, however it has been sad to see student numbers down. Nevertheless, we enjoy helping and teaching the students who do attend school and we continue to hope and pray for the best for the girls who come through our care.

We wish you all a very merry Christmas and an enjoyable break.

With Love,

Kameli and Titilia Ravula

The girls wish to thank ALL families, teachers and staff who have supported them throughout 2019. We have seen meaningful relationships developed and young ladies who are not perfect but know that they can ALWAYS do better. We genuinely love these girls and hope to continue on our journey with them next year. We wish you all a meaningful Christmas and a Blessed 2020.

From the FGH6 Family..

## FGH 7

FGH7 girls have been doing lots of cooking and cleaning to give back and say thank you to some special staff this term. They have all worked together so well. We would like to wish everyone a very Merry Christmas and a happy and safe new year. Can't wait to see you all in the new year.  
Moh & Sheree. Mana.

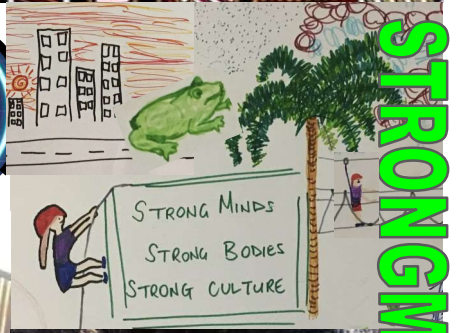

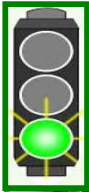

We are incredibly proud to witness Freda graduate this term. Freda has worked so hard to get to this point and we are so proud of the young lady she has become. Our FGH will not be the same without our Freda around. Wishing you the very best for your future.

Litiana Sekitoga joined us in 2013 as a volunteer while her husband Sai worked in Maintenance. Since then Liti has proved to be very versatile, working in the Family Group Home, as our Office Administrator and most recently as a Hospitality / Cleaning support person. In all of these roles she has been able to value add with her hard working nature, love for the Tiwi and infectious smile. Liti finishes with us at the completion of the year when she will relocate to Darwin with her husband Sai.

Bobette Joran was a Tiwi College student from 2011-2016 when she completed year 12 with our first group of NTCET Graduates. After graduating Bobette was given the opportunity to work with the Primary class as a Tiwi Assistant Teacher and she has been so dedicated to her role for the past 3 years. When most staff get to the weekend they rest, but Bobette would then go on to work her weekends at the club. Bobette's hardworking and caring nature will be missed by all, but none more than the Primary class. Bobette finishes at the end of this year and will relocate to Milikapiti to work at Milikapiti Primary School.

Scotch College and Tiwi College have worked closely since the school opened and each year the relationship has strengthened. In 2018 Scotch supported a Gap Year Program where their graduate Fraser Sutherland volunteered for 6 months assisting in our young men's classes. This was such a great success and this year we were fortunate to have Hugo Nash, Oscar Kyriacou and Joshua Smith volunteer their time for 9 months. These young men quickly became an integral part of the boys program and have continued to strengthen the relationship between our schools. They participated fully in all parts of school life whether it be in the classroom,

Academy, FGH or on weekends fishing or playing football for the local teams. In such a short time they have earned the hearts and respect of so many of our staff and students and we know this will not be the last we see of them as it is easy to see Tiwi has got under their skin.

The Tiwi Education Board and Picka Family would like to thank Litiana, Bobette, Hugo, Oscar and Josh for their outstanding contributions serving at Tiwi College. We wish you all the best in your future endeavours.

**Congratulations and all the best to  
our graduates and school leavers of 2019!**

**Tiwi College  
wishes everyone  
happy &  
safe holidays!**

**See you next year family!**
