

JUNIOR YOUNG MEN TERM 4 2020

In Term 4 we continued to develop our relationships within our classrooms and had a focus of having fun and being kind to each other. Students looked after each other with greater care which was particularly pleasing. We cooked and we has lots of fun during our life skills program.

As a class we have developed and grown up so much and it was been great to see our Junior Young Men become great leaders in our school community.

We would love to thank Levi, Yello and Dion for their contributions all year. WE are all so thankful for your efforts throughout the year!

The students continued on with routines and nailed down expectation's during Literacy and Numeracy. We had the opportunity to build and develop exciting and engaging lessons for our primary students. We made spears, wooden pencil cases and created PE lessons. It was extremely fun and the students were great!!

Middle Young Women

This term we have been doing lots of hands-on activities and following routines set in the classroom. We participated in an outdoor classrooms day, focused on Remembrance Day, we celebrated NAIDOC week, explored objects close up using microscopes, and continued to work through our Literacy and Numeracy topics.

Congratulations to all those Middle Young Women who have worked hard throughout the year to achieve their goals. It has been such a pleasure watching you mature and take pride in the work you do. To my Year 10 girls, I have been so lucky to have had you for 3 years now and I am so happy to see you moving up into the Senior classroom next year, however I will really miss teaching you. To my Year 9 students, I am looking forward to another year with you next year as the leaders of the Middle Young Women's classroom.

Have a safe and happy holidays!!

Middle Young Men Term 4

Awana family and friends,

Thank you for supporting the Middle Young Men in 2020!

Science week, Term 4

Senior Young Women

Wow, what a term we have had in the Senior Young Women's class. Students have been working hard to finish off assessments for Literacy, Child Studies, Integrated Learning (Culture) and Health. Well done to our young ladies who continued with their VET traineeships. We also had a week long trip to Darwin where students did work experience and did a First Aid course. We would also like to say congratulations to the students who got their Learners Drivers License or P's.

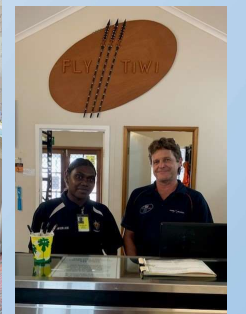

Work Experience

First Aid Course

We hope you all have a safe and happy holidays, and enjoy this time with your friends and family.

See you when we're looking at you

Love Tictac and Ash

Awana Family,

Term 4 has been another exceptionally busy Term for the students in the Senior Young Men’s class.

We had a fantastic week of Construction with our good friend Brad helping us to create a brand new mountain bike shed. The safe home for a class set of bikes that have been donated to the College for student use. The students involved in this project worked exceptionally hard particularly in the very hot and humid conditions. We have continued our sports coaching program in community and pleasingly made a return to Garden Point Primary School as well as continuing our fantastic relationship with Milikapiti Primary School.

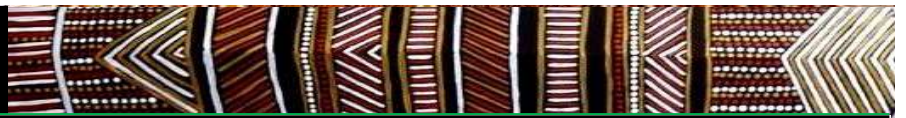

All students have been working hard in class with 5 students managing to complete their studies and graduate from Tiwi College. We would like to acknowledge the significant work of these students over a number of years to achieve their goals.

Finally I would like to take the opportunity to tell the community that this will be my final year teaching at Tiwi College. I can truly say that this experience has changed my life and I will be eternally grateful for the opportunity to live and work on the Tiwi Islands educating the young men of Tiwi College. I would like to thank everyone for being so welcoming to me from the moment I arrived. I am so proud of all of my students and thanks to them leave with a much greater understanding of Tiwi Culture and how wonderful and strong it is. I hope to one day return and bring my own kids to experience all that I have had the privilege to enjoy. Please stay in touch.

Mana, Nimpangi

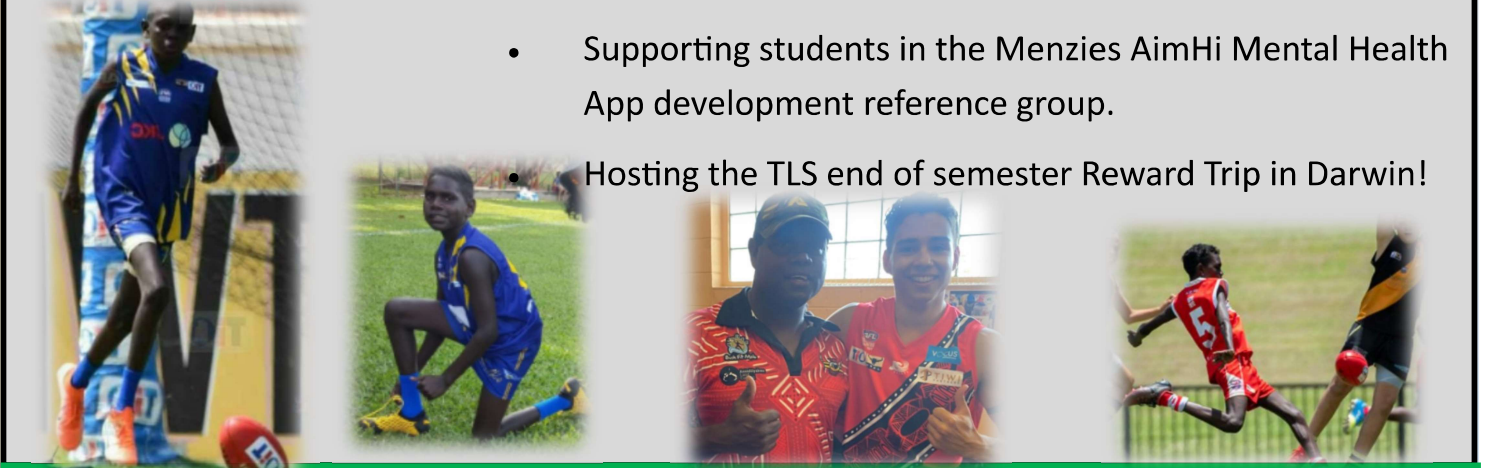

Matt and Brad

Highlights from the Boys Academy for Semester 2, 2020 :

- Afterschool training sessions x 2 each week
- Support for 8 boys in the NTFL
- Encouraging Tiwi language with games and activities
- Red Dust Music Program in week 6
- Supporting students in the Menzies AimHi Mental Health App development reference group.
- Hosting the TLS end of semester Reward Trip in Darwin!

TRAFFIC LIGHT SYSTEM REWARD TRIP!

Students who met the targeted 75% of green weeks across the semester earned their place on the 2020 Boys Reward trip. With a mixture of different activities the boys enjoyed a great time .

GROWING YOUNG WOMENS ACADEMY

The Girls Academy have been working on the Happy Boxes Project, training for NTFL and lots more this term. They have been strong, shown resilience and tackled whatever challenge they have faced this year. It is time for Courtney to say goodbye to Tiwi College. The girls have opened their arms and shared everything with her from their Culture to their goals and dreams. Courtney will miss every girl but know that they will always ride their own wave through life and work towards their dreams.

Visitors

Thanks to our friends at Red Dust for another successful music program opportunity provided to Tiwi College. Red Dust music and production guru Wayne Glenn was able to work closely with Tiwi College staff and students in week 6 this term to produce the 2020 song “Seasons of the Tiwi”. Also, a special thanks to Yello for his valuable musician-ship! We hope that all Tiwi people will feel proud of this song that reflects on Tiwi country and seasons as well as it being something the wider community can enjoy and connect with Tiwi Islands.

Senior Young Women Graduating students

We would like to say a massive congratulations to our Senior Young Women graduates. You have all worked so hard to get here. It hasn't been an easy journey, but you pushed through and didn't quit. It has been amazing to watch you all grow from little girls to the beautiful, caring, amazing young women you are now. The way you help each other, encourage each other and work as a team has been a pleasure to watch. I hope this continues on into your life after school. We wish you all the best, and although you will no longer be our students, we will always support you and help you as best we can no matter what. Congrats our beautiful ladies! Ash and Tictac

Senior Young Men Graduating students

The entire Tiwi College community wishes to extend their congratulations to the Senior Young Men graduates of 2020. You have all matured so much over the years and your commitment to completing your studies has been inspiring. I am so grateful to have had the opportunity to work with you all and I look forward to seeing what the future holds.

Congratulations and thank you! Matt and Brad

Our skin group RESPECT clay mural

Learning drawing skills

Ampiji the Rainbow Serpent

Wiyapurali from Cape Fourcroy

Remembering the Frontier War:

*"Ngawa ngajirti ngawa-jangiriparra awarra ngin-
ingawurla ngirramini"*

Awana! In Jilamara class we have been learning about drawing skills and using charcoal, pencils, paint and chalk pastels to explore different line techniques.

Thanks to Bonita Ullungura and Yello Ullungura who have been sharing the culture story of Wiyapurali from Cape Fourcroy for the crocodile sculpture which is now in its new home at the Patakijiyali Museum at Wurrumiyanga.

With the assistance of trainee Rusinya Brooks the students have created a Frontier War Wreath and I'd like to thank Rusinya for her help with this project.

Finally, our ceramic RESPECT mural is complete and ready for display. Every student at the college has decorated a clay tile with a design representing their skin group to convey the idea of respecting each other. Thanks to everyone who supported the arts, wrote kind notes and gave chocolate! Mana - Adele
